Executive Director
Ronald L. Oldham

Dear PNRC-NAHRO Member:

It is again time to ask you for your PNRC-NAHRO membership dues for the coming year. The dues paid by our member agencies represent a large part of our funding and are essential to PNRC being able to accomplish its annual goals. On November 14, 2007, the Executive Board approved a five percent increase in the dues for 2008, the first increase since 2004. This increase will amount to only a few dollars for members, but will help PNRC to continue to deliver services and activities that have a value-added impact for your organizations. Some of these are listed below:

- 2008 Annual Conference at the Red Lion Hotel at the Park (April 28-30) in Spokane, WA.
- Ready to Rent – a program teaching your clients to be successful tenants.
- Quarterly newsletters with useful articles and information.
- The E-procurement system to improve your procurement effectiveness.
- Scholarships for residents including a new Jesse Epstein 4 year college scholarship (\$10,000).
- PNRC-NAHRO's website with information, conference registration, and jobs bulletin board.
- Professional development sessions for commissioners and agency staff tentatively including Commissioners' Fundamentals, Procurement & Contracts, Legislative Advocacy, Resident Leadership, Fair Housing, and Managing Maintenance.

We hope that we can count on your membership and continued participation in 2008!

Sincerely,

Ronald L. Oldham

Executive Director
