

**A Place to Call Home**

**PNRC-NAHRO 2012 Annual Conference**  
**April 29—May 2**  
**DoubleTree Hotel by Hilton Portland—Lloyd Center**  
**Portland, Oregon**

This year's PNRC-NAHRO Annual Conference will be held at the DoubleTree Hotel (Lloyd Center) in Portland, OR. The conference theme will be "**A Place to Call Home**" in recognition of the importance of "home" in the lives of our clients and of the role that our members play in addressing that need.

In his 1944 State of the Union Address, President Franklin D. Roosevelt said that *"...true individual freedom cannot exist without economic security and independence."* He went on to call for a *"second bill of rights under which a new basis of security and prosperity can be established for all—regardless of station, race, and creed...and **the right of every family to a decent home.**"* In 1949, Congress added its support to Roosevelt's message by calling for *"...**a decent home and a suitable living environment for every American family.**"*

In 2012, we have made progress towards this goal, but we are still a long way from achieving it. In fact, recent

statistics show that there are growing numbers of Americans living in poverty, hundreds of thousands of homeless households, and countless more living in housing that is neither affordable nor decent.

PNRC-NAHRO members have worked for decades to respond to the affordable housing deficit, yet their efforts may be unsustainable if current cutbacks continue. Housing authorities and community development organizations understand the importance of housing that is affordable to all socio-economic levels, but it now appears that we must find new ways to deliver that housing.

PNRC's 2012 Annual Conference will support our members in pursuit of their mission and vision by offering sessions and seminars to enhance skills by providing knowledge, ideas, and tools that can be taken home and put to use. This year's Conference has been shortened to one and a half days of plenary and breakout sessions in recognition of both budgetary and time away from work considerations, but it will be packed with relevant material that you will not want to miss.

Keynote Speaker  
Ron Sims

The Conference will begin with the Opening General Session on Monday, April 30 where former HUD Deputy Secretary and King County (WA) Executive **Ron Sims** will deliver the Keynote Address. Those who have heard Mr. Sims know what an inspiring and motivating speaker he is, so we know that the Conference will be off to a great start by the time he finishes!

Ron Sims most recently served as Deputy Secretary of HUD before his resignation to return to Seattle in 2011. Prior to that, Sims served as the Executive for the King County, Washington, the 13th largest county in the nation in a metropolitan area of 1.8 million residents and 39 cities including the cities of Seattle, Bellevue and Redmond for three terms and was nationally recognized for transportation, homelessness, climate change, health care reform, urban development and affordable housing. His leadership in affordable housing and multiple community

# Message from the President...

Andy Rodriguez  
President  
PNRC-NAHRO

Dear Fellow Housing Professionals:

With the holidays behind us and a new year ahead, I look to 2012 with mixed feelings. It is certainly going to be a year of challenges with the possibility of a new administration in the White House or a congress not friendly to the people we serve. What does that mean to us? Well, if today's political climate is any indication, we might find ourselves with a President who has little regard for the impoverished or at least little understanding of their needs and how government might help them. Recent comments made during the campaign for the Republican nomination show a disconnect with those in need. We can ill afford that on top of the kind of budget cuts we have already seen in the last two years!

I cannot even begin to understand how someone survives on only \$500/month even if they are lucky enough to live in subsidized housing and only pay 30% of their adjusted income in rent. Dependency on public assistance has grown while resources have dwindled and the one time safety net that existed is full of holes with little to no relief in sight. Because of what is being called the "Great Recession," there are more people in poverty today than any time in recent memory. We need leadership by people who understand this, how to fix it, and hopefully prevent it in the future. It is not only the poor who suffer from neglect, but all of society because our potential is reduced when any segment of society is in need.

There is hope however; with job creation on the rise and interest rates at historically low rates, many are navigating through the process to become home-owners. This adds to the tax base and will ultimately have a positive effect on the rest of our community.

We need to keep letting our leaders in Washington D.C. and our state governments know the plight of our families and the difference programs like ours make or we risk losing the limited resources that are still available. Therefore, as we look to the future, let's do what we can to make a difference. Chris Pegg, Executive Director of the Longview H.A., is the new Chair of NAHRO's Legislative Network. She is working to improve the Network organization and to find new volunteers to help make it work. Also, I ask you to support "get out the vote" campaigns through your agencies and help assure those who can vote take the time to become informed on the issues and then VOTE!

I want to be available to our members, so please call me at (208) 466-2601 or e-mail me at [andyr@nampahousing.com](mailto:andyr@nampahousing.com) with any ideas to make our region better serve you.

Sincerely,

*Andy Rodriguez*

# Welcome to the 2012 PNRC-NAHRO Scholarship Golf Tournament at Heron Lakes Golf Club

Hole 13 on the Greenback Course at Heron Lakes Golf Club

PNRC-NAHRO will hold its 9<sup>th</sup> Annual Scholarship Golf Tournament on **Sunday, April 29, 2012** to raise funds for the scholarships awarded yearly to residents of our members' affordable housing programs. This year's Tournament will be at **Heron Lakes Golf Club (3500 N. Victory Blvd. in Portland, OR)** about 7.5 miles from the Doubletree Hotel (Lloyd Center) where the PNRC-NAHRO 2012 Annual Conference will be held April 29 – May 2. Heron Lakes Golf Club (Greenback Course) offers terrain suitable for golfers at all skill levels. For more information about the course go to [www.heronlakesgolf.com](http://www.heronlakesgolf.com) or call 503-289-1818.

The tournament will start with regular tee times beginning at approximately 10:00 AM. Registrants should provide an e-mail address so that we can advise you of your foursome's tee time. While we encourage serious golfers to participate in the Tournament, we also want to allow for some fun, so we added the usual "bells and whistles" to our tournament rules. The registration desk will sell "Mulligans" at one for \$5 or 3 for \$10, and "Tie a Knot" string at 3 feet for \$10 (to be used for missed putts). The Seventh Hole will be "Lucky Number 7" and each player must start and finish the hole using only a 7 iron (including putting).

The cost to play in the Tournament will be \$75.00 per person (includes greens fees, carts, unlimited driving range time, and sack lunches). To encourage fund-raising for the tournament, **participants will receive a \$10 credit towards their registration for every \$100 of contributions raised through their efforts.** (A participant raising \$400 in contributions would pay only \$35 to play; \$750 or more in contributions will mean the fund-raiser would play for free!) Tournament sponsors will be recognized with signs on tees and greens and at the Annual Conference that begins Monday, April 29th.

There will be prizes for teams finishing first, second, and third, for longest drive, and closest to the pin. Prizes will be awarded at PNRC's Welcome Reception at the Doubletree Hotel (4:00 – 7:00 PM) on Sunday, April 29<sup>th</sup>.

To register as an individual player or a foursome, please complete the registration form included in this newsletter. For questions or information about sponsorships, contact Ron Oldham at 206-901-0330 or [ronaldoldham@msn.com](mailto:ronaldoldham@msn.com). □

and housing partnerships has funded 5,632 units over his 12 years in office.

Over the years Sims developed a reputation as a tireless legislator, working on a diverse palette of issues that led to advances in the areas of the environment, education, public safety and the protection of workers' rights. He credits his drive in part with marching alongside his politically active parents in the 1950's and 1960's during the civil rights movement led by Dr. Martin Luther King Jr. Those experiences honed in him a passion for civil rights issues that has been a guidepost throughout his career.

### Building Changes – Seattle

Betsy Lieberman (left) and Alice Shobe

After nearly 24 years of leadership, Betsy Lieberman will step down as Building Changes' Executive Director at the end of March, 2012. Betsy will continue with

Building Changes through the end of June, 2012 in the role of Executive Director Emeritus and will lead a major fundraising campaign to further support the organization's work. Alice Shobe, Deputy Executive Director, has been selected to replace Betsy beginning April 2<sup>nd</sup>, 2012. Alice is well-known to Building Changes' partners, having guided the organization's strategic planning efforts and for her work in advocating for significant change in how Washington communities address homelessness.

### Seattle Housing Authority

Many years ago the voters of the City of Seattle approved a local bond issue to fund the development of affordable housing for seniors within the city limits. The approximately 1000 units built in 23 buildings throughout Seattle were originally operated solely from rental income paid by tenants. As time passed and maintenance needs grew, however, income did not keep pace with expenses, and SHA requested HUD approval to use Section 8 rental subsidies in some units. More recently, SHA has used its Moving to Work (MTW) status and an allocation of public housing subsidies to transition the Seattle Senior Housing Program (SSHP) units into its public housing subsidy program. This status and subsidy will help SHA to keep rents affordable and to pay for about \$33 million in needed repairs to elevators, windows, and siding. What is unique about this transition is that the SSHP units will gain the subsidy while still maintaining the program as separate with its own operating policies and programs.

Seattle Housing Authority will consolidate its staff from three separate locations into new offices on lower Queen Anne by the end of March 2012. Located at 190 Queen Anne Avenue N., the new headquarters will house staff from the current Central Office (120 Sixth Avenue N.), the admissions and Section 8 offices from the Porchlight building in Ballard, and the Operations Support Center in N. Seattle. Most staff phone numbers will be unchanged. The mailing address also is unchanged at S.H.A., Post Office Box 19028, Seattle, WA 98109-1028.

On November 21, 2011, the SHA Board of Commissioners voted unanimously to approve a resolution adopting a no smoking policy for ALL dwelling units owned by the agency. The policy will be effective February 1, 2012 and prohibits smoking in all common spaces and individual rental units. In August, 2010, smoking was prohibited in all Seattle Senior Housing (bond issue) units and in October, 2011 it was expanded to include newly constructed and rehabilitated properties. A survey showed strong support for a no smoking policy with more than 70% approving.

### Idaho Housing & Finance Association

Idaho Housing & Finance Association (IHFA) has received a \$2.54 million Continuum of Care grant from the U.S. Dept. of Housing & Urban Development to continue providing housing and services for homeless people across the State of Idaho. The grant is part of \$1.47 billion in homeless assistance awarded nationally by HUD and will ensure that existing housing and services to the homeless are able to continue. Continuum of Care programs include services such as jobs training, health care, mental health counseling, substance abuse treatment, and child care. In addition, last year over 132,000 bed nights were provided to the homeless through both transitional and permanent housing. Service providers were pleased to receive the renewed funding and plan to continue to help the homeless to transition from life on the street to independent living in affordable housing.

### **King County Housing Authority**

In December, 2011, King County H.A. held an open house to celebrate the opening of the Pacific Court Community Building capping a series of efforts by KCHA aimed at improving the lives of vulnerable people, a struggling neighborhood, and the local economy. The Pacific Court Community Building will provide office space for the coordinated delivery of supportive services as well as meeting space for Pacific Court's 52 residents. Funded with \$285,000 of ARRA money, the 1,456 square foot facility has not only offices but a kitchen, activities room, and computer lab.

Pacific Court is a joint effort between KCHA and Sound Mental Health providing permanent housing and supportive services to formerly chronically homeless adults with disabilities. KCHA owns and manages the complex which is an example of the "housing first" approach to homelessness in which vulnerable, at-risk households are considered to be more responsive to intervention and social services support after they are in stable housing.

Pacific Court was previously a crime-ridden, physically dilapidated property closed by the City of Tukwila. The previous owner then sought to renovate the units and sell them as condominiums, but when the market collapsed, the property was sold to King Co. H.A. The 32-unit complex was purchased for \$3.5 million in 2008 and thanks to the flexibility provided under the Moving to Work program, KCHA was able to design a unique approach partnering public housing with local funded supportive services. □

## **PNRC-NAHRO Regional Advocacy Awards Nominations Due March 21, 2012**

PNRC-NAHRO is once again interested in receiving nominations for its Annual Advocate of the Year Award. Both individuals and organizations are eligible to be nominated for this award which was created to recognize advocacy efforts on behalf of affordable housing and/or community development within the Pacific Northwest region.

The 2011 Advocate of the Year went to B. Jo Brewer, Commissioner for the Longview Housing Authority.

Details and an application form for the Advocate of the Year award can be found at the PNRC-NAHRO website at [www.pnrcnahro.org](http://www.pnrcnahro.org). Nominations must be received at the PNRC-NAHRO office by March 21, 2012 to be considered. □

### 2012 THEME BASKET RAFFLE & AUCTION

PNRC-NAHRO is proud to announce its 2012 Theme Basket Raffle & Auction in conjunction with our Annual Conference at the DoubleTree Hotel in Portland, OR on Monday, April 30<sup>th</sup>. The money raised at this Auction goes to support our Scholarship Program which awards 4 scholarships annually to residents of affordable housing operated by our member agencies. This year, raffle tickets will be sold to attendees, who may then deposit their ticket stubs in a box next to the basket of their choice. At the end of the raffle, a drawing will be held with the winners selected from each basket's box of tickets. This format allows more attendees to participate, but at a lesser individual cost. To make this event successful, we need donations of theme baskets and of other items that can be put into our live auction on Monday, April 30<sup>th</sup> at the Exhibitors' Reception at the DoubleTree Hotel. Some items will also be auctioned off in an informal "live" auction. Here's how you or your agency can participate:

- 1. Complete the attached "Basket Raffle/Auction Donation Form" that describes your donation with contact information and fax it to Ron Oldham at 206-248-6398.** (A raffle/auction catalog will be prepared from your description.) Possible themes could be sports memorabilia, ethnic cooking, pet needs, chocolates, fishing, reading, geographic products (WA, OR, ID, AK), wine, coffee, DVDs, arts & crafts, etc. Be creative! If your basket will be an agency effort, put together a committee to work on it. Collect the items to make up the basket according to the theme selected. Items may be donated by retailers or purchased by volunteers and donated to the basket.
- 2. Bring the theme basket or item to the Annual Conference in Portland and deliver it to the Conference Registration Desk no later than 9:00 AM on Monday, April 30, 2012.** The Raffle/Auction will be held during the Exhibitors Reception on Monday at approximately 6:30 PM. All proceeds will go to the PNRC Scholarship Fund.

There is no limit to the number of baskets/items that may be donated, but agencies attending are encouraged to donate at least one basket. If costs for baskets are provided, PNRC will send acknowledgements so that contributions may be claimed for income tax purposes. To participate in this fund raising event, please complete the following form:
